

A vibrant, abstract painting featuring a large, pale yellow fish, possibly a salmon, lying on its side. The fish is positioned horizontally across the center of the frame. Surrounding the fish are various colorful, rounded objects: a red and white striped ball, a purple ball with a black cross, a yellow and red striped ball, and a small red and yellow object. In the upper left corner, there is a white cup and a red umbrella. The background is a mix of blue and grey tones. The overall style is expressive and colorful, with bold outlines and a rich palette. A small black square with the text 'EX 12' is visible in the bottom left corner.
